Random Colourful Commentary

Typos and odd writing courtesy of your fellow Slammers

IronMaiden - she's good competitor and she's made a lot of milestones this year playing over a hundred rounds which is insane.

McGee - Legendary golfer in Ottawa and he does it on the Slammer Tour as well. Crushing records in sportsmanlike manner. A pleasure to be with and his down to earth nature.

Sunny - stayed in A-Division, made it to number 1 overall, 1 ace, top ten on overall earnings, events, eagles, birds, points, wins, dogs, skins ... always cheery, perfect balance between competitiveness and fun, great OC, great job at leading the team challenges

PointZero - They say the squeaky wheel gets the grease, so he may not win this year. Too bad if that happens. He is not the loudest guy on the Tour, but the Tour would be a lesser place if he were not in it. His sportsmanship is first rate. He is a very good player. His swing looks like Gumby the rubber man. He can hit a hybrid from any yardage. He is always willing to step back a tee for the challenge and camaraderie. He is as classy in defeat as he is in victory. He cares about THE game and HIS game. He is a staple of the 19th hole social gatherings. He is the web-master — few understand the value of our website. He also takes any criticism of the site like a champ. And he is the best photographer on Tour — ensuring he never appears in any photos himself. Nice guys should finish first sometimes!

GoTee - just an absolute pleasure to play with, master of the long irons and a beast when it comes to doggies

Grumpy - he initiated me to the tour and explained everything about to the tour to me, including the challenging process on the site. He was helpful on the course with all of the rules. I also saw him multiple times explain the Tour to others who had questions. He is a great sport.

chill - very pleasant and fun, loves the competition, won the nov run B, 2nd in points

Juice - She just rocks and loves country music - what else can I say hey a hole in one this year, and very consistent player,

About Our Sponsors

Bill "Billiards" Ryan and his lovely wife, Carole, graciously supplied The Tour with the Preston Cup.

About The Cup

The Preston Cup was named after the Ryan family's dog, Preston. While he wasn't the best-looking, nor the best-smelling nor was he the friendliest dog around, he was fun and tremendously personable... and those are the traits of the Slammer of the Year.

Remember, the *Slammer of the Year* is voted on by your peers, so work your magic and make some allies.

always enjoy playing with her An all round liked member of the Tour

Cuba - a great golfer but he is always impeccably dressed and has the most positive attitude of any of the Slammers that I have ever played with. He is also the only OC that, most often than not, awards little gifts to his events' stars. He always makes it fun.

Grumpy - one of the biggest advocates of the Tour. There is nowhere that he goes whether a restaurant, a sporting event, pretty well anywhere that you will not find him praising the Tour up and down and handing out business cards. His ears are trained to the word golf and instantly perk at that glorious sound. There is not a 15 minute segment in an hour that he is not working for the Tour in some way, whether reading a report, writing a report, jotting down notes. He proudly sports his Slammer gear wherever he goes.

Juice - another of the Slammers who plays under any conditions, goes to all events, in whatever country they may be in, and participates whole heartedly. She has bettered her golf game in leaps and bounds, and is fearless, willing to take on one and all, no matter their ranking or prowess.

IronMaiden - I ask myself often "What would the Slammer Tour look like without her"?

Congratulations, Juice!
